

**Enjoy all the benefits of your **WSB Debit Card** using Apple Pay on iPhone 6.**

Apple Pay will change how you pay with breakthrough contactless payment technology and unique security features built right into iPhone 6. So you can pay in an easy secure and private way.

**An Easy way to pay with apps.**

Use your iPhone 6, iPad Air 2 or iPad mini 3 to pay within apps with Apple Pay. Checking out is as easy as selecting Apple Pay.

**ADDING CARD**

Adding your WSB Debit Card to Apple Pay on iPhone 6 is easy.

To add your **WSB Debit Card** to Apple Pay, use your iSight camera to instantly capture your card information. Or simply enter it manually.

**How to pay**

Use your **WSB Debit Card** to pay in an easy, secure way by using Apple Pay on iPhone 6.

To pay in stores, just hold your iPhone 6 near the contactless reader with your finger on Touch ID. A subtle vibration lets you know your payment information was successfully sent. To pay within apps, checking out is as easy as selecting “Apple Pay” and placing your finger on Touch ID.
